No, But I Read the Book

Just Mercy by Bryan Stevenson

Available for free for the month of June to stream, world-renowned civil rights defense attorney Bryan Stevenson works to free a wrongly condemned death row prisoner.

Listen Up

In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child - not powerful, like her father, nor viciously alluring, like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power - the power of witchcraft, which can transform rivals into monsters and menace the gods themselves.

With unforgettably vivid characters, mesmerizing language and pause-resisting suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, and love and loss as well as a celebration of indomitable female strength in a man's world." (Amazon)

Circe
by Madeline Miller
Narrated by Perdita Weeks
Length: 12 hours 15 minutes

Windsor Library Reading Challenge: Read a Book with a Fantastical Title

***I Have No Mouth and I Must Scream* by Harlan Ellison (only available as an ebook through Hoopla)**

Among Ellison's more famous stories, two consistently noted as his very best ever are the Hugo Award-winning, postapocalyptic title story of this collection of seven shorts and the volume's concluding story, "Pretty Maggie Moneyeyes." This book is described as "compelling reading experiences that are utterly unique."

***The God of Small Things* by Arundhati Roy**

The story of an Indian family during the 1969 Communist disturbances in Kerala province. It is told through the eyes of a boy and his sister who are the children of a rich rubber planter. Politics, family drama, illicit love. "In part a perfectly paced mystery story, in part an Indian *Wuthering Heights*: a gorgeous and seductive fever dream of a novel, and a truly spectacular debut." (Kirkus)

***The Night Circus* by Erin Morgenstern**

Waging a fierce competition for which they have trained since childhood, circus magicians Celia and Marco unexpectedly fall in love with each other and share a fantastical romance that manifests in fateful ways.

***American Gods* by Neil Gaiman**

A master of inventive fiction pens the story of an ex-con who is offered a job as a bodyguard for Mr. Wednesday, a trickster and a rogue. Shadow soon learns that his role in the man's schemes are far more dangerous and dark than he could have ever imagined.

***The Bear and the Nightingale* by Katherine Arden**

Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Above all, Vasya loves the story of Frost, the blue-eyed winter demon. Wise Russians fear him, for he claims unwary souls, and they honor the spirits that protect their homes from evil.

Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village.

But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long concealed—to protect her family from a threat sprung to life from her nurse's most frightening tales.
